To: Mr. Sanders
Re: Early Turn Motion Approved by the Van Nuys Airport Citizens Advisory Council

Dear Mr. Sanders:

Thank you for your letter dated July 15, 2015, advising Los Angeles World Airports (LAWA) of the motion the Van Nuys Airport Citizens Advisory Council (CAC) approved at its July 2015 meeting. LAWA appreciates the support the CAC has provided on many noise mitigation programs over the years, and more recently with the Early Turn program the Board of Airport Commissioners reaffirmed at its meeting on June 18, 2015. Please know that we will continue to work with staff, airport businesses, and community groups such as the CAC to help ensure that LAWA is being a good steward of all of its airports and that we continually strive to achieve a good balance between the aviation community and the surrounding neighborhoods of its airports, including Van Nuys Airport.

Sincerely,

Sean D. Burton, President
Board of Airport Commissioners
Los Angeles World Airports

"Proponents say the international flights into Van Nuys will benefit business travelers who will save time by bypassing LAX, fuel the Valley economy and cut pollution and airspace congestion over Los Angeles. Van Nuys Airport, the region's largest employer, provides more than 12,000 jobs, \$1.3 billion in business revenue and \$80 million in local taxes."
