# HIGHLIGHTS

- **The Noisier Aircraft Phase Out incrementally reduced maximum allowable noise levels at VNY over a 7-year period**
- **Exceptions to Ordinance 181,106 include aircraft certified as Stage 3 or 4, military aircraft, government-owned or operated aircraft involved in law enforcement, emergency, fire or rescue operations**
- **Unless an aircraft is listed in (AC) 36-3H, it will be the responsibility of the owner or operator to provide official documentation from the FAA that the departure noise level is certified below 77 dBA**
- **Owners of noncompliant aircraft may request a one-time departure permit from the VNY Airport Manager in order to relocate to another airport**
