Dear Van Nuys Airport Partner:

We are pleased to report that after months of collaboration, The City of Los Angeles, Bureau of Street Lighting will be replacing the existing fluorescent lighting system in the Sherman Way Tunnel with a new LED lighting system. This new lighting system will greatly improve the lighting conditions in the tunnel.

This construction is expected to begin in early June 2015 and should be completed in April 2016. During this time, traffic management will be used to minimize the impact on vehicle and pedestrian traffic.

We appreciate your patience with this project. If you have any questions about this project, please contact Ms. Flora Margheritis, VNY Chief of Airport Operations, at (818) 442-6506, or contact Mr. Matt Phuong of the City's Bureau of Street Lighting at (213) 847-1828.

Sincerely,

Jess L. Romo, A.A.E.
